Free TO Organizer Example and Notes

1

5-Minute Brainstorm:

If I were Free TO _____, I know I would be more energized about, and more engaged in, my life. I would be thrilled about each moment I could spend doing favorite things.

On a separate sheet, jot down as many responses as you can think of in 5 minutes.

2

Record the top 3 responses in priority order in the WHAT boxes.

3

Complete each column—Why Important, Best Result, Vivid Vision Level, Who*—before moving to the next column.

4

*You may need to research or network to determine the ideal "Who." Complete this box only when you have completed the necessary due diligence and you are super-confident you have identified the best person(s) for the task.
